GREETINGS FROM THE CAMP DIRECTOR

Nestled in the heart of the Rio Grande Valley, on the Arroyo Colorado, is the historic Camp Charles F. Perry: Texas' longest continuously operating Boy Scout Camp. The 2018 Summer Camp season will mark the 91st Anniversary of summer camp for the Rio Grande Council at Camp Perry.

Our summer camp staff and I have worked diligently to develop the most enjoyable and successful program for all scouts. From Tenderfoot through Eagle Scout, there will be a program designed to benefit each rank.

All of Camp Perry's administrative directors are tenured graduates of the Boy Scouts of America's National Camping School. All other youth staff members are fully trained and eager to assist members of your troop. The main objective of the entire staff is to offer all scouts and scouters a flexible and well-rounded program.

The fun and adventure of camping for a week with friends is a priceless milestone for any scout. Camp Perry's fees remain reasonable so that youth and adults may have a great summer camping experience at the lowest possible price.

This guide is designed to help you and your troop *BE PREARED* for a memorable time at summer camp. Please read through it carefully, and imagine your scouts engaged in a dynamic week of "fun with a purpose" in the Rio Grande Council.

Mauricio "Dan" Diaz
2018 Camp Director

TEXAS YOUTH CAMPS SAFETY AND HEALTH ACT

On April 16, 2006, the State of Texas passed into law new regulations that affect the Texas Youth Camps Safety and Health Act (Title 25, Part 1, Chapter 265, Subchapter B, Rule 265.12(f)(f1a) (f2) (g). This new rule affects all licensed youth camps in the State of Texas and became effective on June 1, 2006. In order for the Boy Scouts of America and the Rio Grande Council to comply with the state law protecting our youth, we must require each unit to assist us by providing the items listed below. Your understanding and assistance in this important matter is greatly appreciated.

For every adult (age 18 and older) attending camp, even for one day, the scouting unit must provide EACH of the following items.

Adult Application for Participation

1. Units must provide the adult application for participation and disclosure form at the back of this guide for every adult attending camp, both registered and non-registered adults. These forms must be completed and turned in to the Rio Grande Council office by **Friday May 25, 2018.** The Rio Grande Council will conduct the required state sexual offender and background checks for each adult on your camp roster. Please turn in the form to the Council Service Center in Harlingen, TX
2. BSA Youth Protection Training TEXAS Certification Card
3. State law requires that every adult attending camp must provide certification that they have successfully completed youth protection training and have passed the related test. The Texas training will be provided before camp begins. (Course days will be placed on the Council Website.) Adult leaders who may have taken the group video discussion version of this course previously or the online training, still must take the in-person Texas Youth Protection Training conducted by Rio Grande Council, BSA authorized instructor. After completing the course, each adult will be provided with a copy of the certification card, which must be turned in, at camp during check-in with the Unit Check -In Packet. This card is valid for two years.

MAVERICK SCOUTS – Troop 1927

Camp Perry recognizes that there are scouts who would like to come to summer camp even though their own troop may not attend. This can be accomplished by placing Maverick Scouts with other scout troops that are registered for the week. Depending on the number of registered Maverick Scouts, a BSA volunteer adult over the age of 21 may be appointed to act as Scoutmaster for Maverick Troop 1927.

We will do our best to place individual youth (Maverick Scouts), with a troop under its own adult leadership. When scouts have been placed, the Scoutmaster, or appointed staff Scoutmaster, will contact each scout and his family directly. The scout will be treated as a member of the Maverick Troop if assigned to one during camp. There is online registration specifically for individuals needing the Maverick Scout option.

Troop 1927

WELCOME FROM THE PROGRAM DIRECTOR

Camp Perry Summer Camp Leaders,

Greetings! As we prepare for the upcoming summer camp season, we look forward to seeing you and your scouts interact with our energetic, camper-focused staff. We want you all to become immersed in the many traditions that have made Camp Perry “home” for so many scouts and scouters for the past 90 years.

In 2017, a program enhancement task force was established to reevaluate our camp programs and look for new and exciting opportunities to add to Camp Perry this year. We will have new adventures, as well as keep some of the old traditions from past summer camps. This year, Camp Perry will have:

NEW! Camp Activities

NEW! Merit Badge Resource Center

NEW! Administration and Staff

Continuing! A Sabbath-Friendly Week

Improved! First-Year Camper Program and Curriculum

Laguna Station-Island Adventure (Scouts 13 yrs. +)

Wewanoma Lodge Internet Café (Adult Leaders Only)

Merit Badge Programs (Introducing ATV/ BMX Merit Badges)

We look forward to seeing all of you for an unforgettable and groundbreaking week of summer camp at Camp Perry. See you soon!

Gabriel R. Gonzalez

2018 Camp Program Director

Camp Perry has six separate program areas that are run by knowledgeable and energetic staff. Five of these areas focus on essential scout skills and merit badges. The other area is home to the “Camp Perry Pioneers” (CP²) program.

More information on this program area can be found on page 24 of this Leader's Guide.

This year, we are continuing our Laguna Station Island Adventure where scouts at least 13-years-old can go to Camp Perry and earn merit badges designed for older scouts Sunday to Wednesday. On Thursday, scouts will be transported to our Island Adventure to go surfing, paddle boarding, fishing, and Kayaking. Friday will be a field-trip to Schlitterbahn Beach Waterpark.

- **Merit Badge:** the merit badge or skill offered.
- **Fee:** any fee that is in addition to the basic registration fee.
- **Reason:** detailed explanation of any fee is on the page following the MBS;
- **Schedule:** times under the title bar represent the periods which a merit badge will take place.

Camp _____

Camp _____ from the _____ Council will be conducting an ATV program at camp. Scouts will be instructed how to ride on and drive an ATV. Scouts will be taught ATV safety and will drive on a training course, then on approved trails only. Scouts will be on the unit individually and in control of the power and brakes. Scouts will be required to wear a helmet, goggles, gloves, over-the-ankle boots, long-sleeve shirts, and long pants. Scouts are expected to abide by all safety rules and the instructions of the camp instructor(s).

I, the undersigned, give my child, _____, permission to participate in this program. I understand that participation in the activity involves a certain degree of risk. I have carefully considered the risk involved and have given consent for my child to participate in the activity. I understand that participation in the activity is entirely voluntary and requires participants to abide by the rules and standards of conduct. I release the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with the activity from any and all claims or liability arising out of this participation.

For safety, my child and I agree that he/she will do the following or he/she will be removed from the program. Because space is limited, any additional cost associated with participation in this program will not be refunded.

1. Complete the ATV safety class taught at Camp _____.
2. Wear all required safety gear at all times on or around the equipment.
3. Follow all safety rules provided in the training class.
4. Follow the instructions of the camp staff instructor(s).
5. Maintain control of the ATV at all times and remain within the speed determined to be safe by the camp instructor(s).
6. Be in full compliance with all local, state, and federal guidelines, including age restrictions and original equipment manufacturer standards.
7. Respond to the camp satisfaction survey from the Boy Scouts of America as it evaluates the ATV program.

PARTICIPANT REQUIREMENTS FOR SCOUTS GOING TO LAGUNA

- ✓ Participants must be registered members of BSA.
- ✓ Participants must be at least 13-years-old by January 1st of the year of attendance.
- ✓ Participants must be able to pass the standard BSA swim test.
- ✓ All participants must have a Class III BSA Medical Form, including a current health history supported by a medical evaluation within the last 12 months. Inquire early about the medical requirements for participation.
- ✓ *One member of each crew must have a current certification in First Aid and CPR.*

Laguna Station strives to minimize risks to participants and adult leaders through emphasizing proper safety precautions. Most participants do not experience injury during their adventure precisely because they are aware of the risks involved and because they exercise proper safety precautions. If you are planning to attend Laguna Station, you should be physically fit, have proper clothing and equipment, and be willing to follow the instructions of your staff member, work as a team, and take responsibility for your own health and safety. By studying this Leader's Guide, a crew can be properly prepared for the contingencies that may arise during your adventure.

Parents, guardians, adult, leaders, and participants in Station programs are advised that our programs, and journeying to and from the Station, can involve exposure to accident, illness, and/or injury associated with a physically demanding high adventure program conducted in a sometimes-hostile aquatic environment.

Participants may be exposed to severe weather conditions such as high heat and humidity, tropical storms and intense tropical sun. Other possibilities include sunburn, heat exhaustion, heat stroke, dehydration, asthma and heart attacks.

Sea creatures such as stingrays, anemones, sea urchins, jellyfish and sharks pose little or no threat if safe distances and respect are given to them.

Laguna Station is dedicated to the mission of serving young people in a safe, educational and enjoyable aquatic environment. We are prepared for contingencies, trained for emergencies, and able to act in an expedient manner in case of emergencies. The Station staff is trained in First Aid, CPR, preventing accidents, and in reacting and responding to accidents, injuries and illness. Furthermore, professional medical services such as hospitals and physician's offices are a short distance from Station programs and the Station maintains a working agreement with these facilities.

We hope that this information will motivate leaders, parents, guardians and participants to be prepared and informed. By working together as well-prepared and informed scouters,

AQUATICS (POOL)

The Camp Perry pool area is home to swimming-based merit badges and activities. The programs held here are designed to improve a scout's skills in the water. The pool is also the location of a few mid-week camp activities and swimming competitions.

AQUATICS PROGRAMS (ACTIVITY BADGES)

INSTRUCTIONAL SWIM - Non-swimmers and those who cannot finish the BSA Swim Test, will finally have a chance to work on their swimming skills with supportive lifeguards. Scouts can work toward passing the swim test by the end of the week.

BSA LIFEGUARD – This training program can be completed in one week but it requires commitment. Candidates must attend early morning sessions as well as practice during Troop Swim and Open Swim. The minimum age to receive this certification is 15. Please show evidence of current training in American Red Cross First Aid and American Red Cross CPR/AED for the Professional Rescuer or equivalent (includes any training for a camp health officer recognized by BSA national camp standards). Must be completed within 120 Days.

MILE SWIM BSA - This program will require four hours of practice throughout the week with practice occurring every day. Mile Swim will start out with short distances and will build up to a full mile swim. Scouts who complete this activity badge will earn the BSA Mile Swim Award.

SNORKELING BSA - The Snorkeling BSA requirements introduce scouts and adult leaders to the special skills, equipment, and safety precautions associated with snorkeling. A scout or scouter must be classified as a Swimmer to take this course. Snorkeling gear (mask, fins, and snorkel) will be provided for this course although it is highly encouraged for anyone to bring their own snorkeling equipment if possible.

AQUATICS MERIT BADGES

SWIMMING

This Eagle-required merit badge is one of the most popular and useful merit badges a scout can earn. All requirements, including the BSA swim Test will be performed during summer camp at Camp Perry.

LIFESAVING

This is an advanced merit badge which challenges scouts to reach new limits.

AQUATICS (DOCKS)

The “Docks” are home to Camp Perry’s boating merit badges and are located along the Arroyo Colorado. Here, along the river, our staff places emphasis on a scout’s awareness of Safety Afloat and teaches him methods to master his skills on the water.

AQUATICS PROGRAMS (ACTIVITY BADGES)

BSA STAND UP PADDLEBOARDING - The BSA Stand Up Paddle boarding (SUP) award introduces Scouts to the basics of SUP on calm water, including skills, equipment, self-rescue, and safety precautions.

AQUATICS MERIT BADGES

CANOEING

While canoeing on the Arroyo Colorado, scouts will learn the basics of water safety. This course can be difficult for younger, smaller scouts. There will be extra practice time during Open Boating. A scout must be classified as a Swimmer to take this merit badge.

KAYAKING (MERTI BADGE) & KAYAKING BSA (ACTIVITY BADGE)

This merit badge and activity badge will introduce scouts to recreational kayaking and help prepare them for advanced paddle sports such as touring/sea and whitewater kayaking.

ROWING

Rowing is a fun, but challenging badge. Scouts will need physical endurance to be able to keep up with the demand of this course. A scout must be classified as a Swimmer to take this merit badge.

MOTORBOATING

Along with the thrill of operating a motorboat comes the responsibility for keeping that boat in first-class condition, knowing and obeying the nautical “rules of the road”, and gaining the general knowledge and skills to operate a boat safely. A scout must be classified as a Swimmer to take this merit badge.

SCOUTCRAFT

CAMPING

Learn about what is truly behind the principles of “Leave No Trace” and The Outdoor Code. This merit badge is challenging and fun to complete at camp! Scouts will find it helpful to complete as much paperwork as possible at home before camp

COOKING

Scouts will be challenged to cook for themselves a minimum of one breakfast, lunch, and dinner. This course will develop Scouts to make camp cooking simple

EMERGENCY PREPAREDNESS

This Eagle-required merit badge will help scouts prepare themselves for a variety of emergency situations.

FIRST AID

Scouts should have the basic first aid skills from Tenderfoot through First Class requirements before attempting this course.

PERSONAL FITNESS

Personal Fitness is an Eagle-required merit badge that is worth starting at summer camp. This badge requires 12 weeks of documentation for Requirements #7 and #8, which must be completed outside of camp.

PIONEERING

Learn the skills needed to build simple and complex structures using spars and lashings. Scouts should have the basic knowledge of pioneering (Second and First-Class requirements). Participants will need time outside of class to complete projects and splicing. Bring own gloves and a pocketknife.

SEARCH AND RESCUE

This merit badge will cover skills for working around specialized teams such as aircraft, canine, and aquatic rescue teams. It will also identify differences between search and rescue environments, such as coastal, wilderness, rural, and urban landscapes.

WILDERNESS SURVIVAL

In their outdoor activities, scouts learn to bring the clothing and gear they will need, learn to make good plans, and to do their best to manage any risks. Gaining the skills of wilderness survival can help make everything right again.

HANDICRAFT

ART

Want to learn about art, painting and design? Take this challenging merit badge and discover the artist in you!

BASKETRY- LEATHERWORK – WOOD CARVING* ("BA-THER-VING") *All combined!

BASKETRY

Make some homemade baskets, take them home and remember them forever! You'll have a chance to weave a round and square basket. Scouts may need to spend time outside of class to complete.

LEATHERWORK

Scouts who complete the requirements to earn the Leatherwork merit badge will explore leather's history and its endless uses. They will learn to make a useful leather item using the same types of raw materials that our ancestors used and be challenged to master skills like hand stitching, lacing, and braiding.

WOODCARVING

Have you ever tried carving wood with a pocketknife? This class is recommended for older scouts. Bring your sharp knife and Totin' Chip (a prerequisite). Please bring gloves and eye protection.

CHESS

The game of chess will teach a scout to use strategy and can improve his critical thinking skills. It's a game played on every continent around the globe. Take part in playing and learning the tradition of chess.

PAINTING

This merit badge provides an opportunity for scouts to learn more about painting, including both the artistic and practical aspects.

WELDING

Opportunities in the welding field are endless. Scouts earning the Welding Merit Badge can not only explore the fundamentals of welding, but also learn about the different career paths within the industry.

NATURE

The Nature Area is home to merit badges that focus on our environment and everything that makes it up, from the creatures of the air and the shifting of the earth to the mysteries of the ocean and the realms of space.

ASTRONOMY

In learning about astronomy, scouts study how activities in space affect our own planet and bear witness to the wonders of the night sky: the nebulae, or giant clouds of gas and dust where new stars are born; old stars dying and exploding; meteor showers and shooting stars; the moon, planets, and a dazzling array of stars.

BIRD STUDY

Birds are among the most fascinating creatures on Earth. Amateur birders have made many of the most important discoveries about birds and how they live. In pursuing this hobby, a scout might someday make a valuable contribution to our understanding of the natural world.

ENVIRONMENTAL SCIENCE

This Eagle- required merit badge includes a great deal of paper work, some that can be done at home. This is a very challenging merit badge and requires significant writing.

FISH AND WILDLIFE MANAGEMENT

Wildlife management is the science and art of managing the wildlife—both animals and fish—with which we share our planet. Maintaining the proper balance and the dynamics that go with it requires humankind's attention.

MAMMAL STUDY

A mammal may weigh as little as 1/12 ounce, as do some shrews, or as much as 150 tons, like the blue whale. It may spring, waddle, swim, or even fly. But if it has milk for its young, has hair of some kind, is relatively intelligent, and has warm blood, then it is a mammal.

NATURE

There is a very close connection between the soil, the plants, and all animal life - including people. Understanding this connection, and the impact we have upon it, is important to preserving the wilderness and our own well-being as members of the web of nature.

REPTILE AND AMPHIBIAN STUDY

Boys have always been interested in snakes, turtles, lizards, alligators, frogs, and salamanders. Developing knowledge about these captivating creatures leads to an appreciation for all native wildlife. Knowing about venomous species can help scouts be prepared to help in case of an emergency.

SOIL AND WATER CONSERVATION

Conservation isn't just the responsibility of soil and plant scientists, hydrologists, wildlife managers, landowners, and the forest or mine owner alone. It is the duty of every person to learn more about the natural resources on which our lives depend so that we can help make sure that these resources are used intelligently and cared for properly.

SPACE EXPLORATION

Space is mysterious. We explore space for many reasons, not least because we don't know what is out there. Our universe is vast and humans are full of curiosity. Each time we send explorers into space, we learn something we didn't know before. We discover a little more of what is there.

WEATHER

Meteorology is the study of Earth's atmosphere and its weather and the ways in which temperature, wind, and moisture act together in the environment. In addition to learning how everyday weather is predicted, scouts can learn about extreme weather such as thunderstorms, tornadoes, hurricanes, and how to stay safe.

SHOOTING SPORTS (RANGE)

This program area offers scouts the opportunity to participate in exciting shooting sports! Come and learn a new skill or master one you already have.

Visitors are not allowed in the Shooting Sports Area, due to safety reasons. Only staff members and scouts participating in the merit badge may be on the range. Scouts not currently taking the merit badge, but would like to work on completing badges previously started, must attain permission from staff before entering the range.

ARCHERY

Archery is great fun! (Some previous knowledge of this skill may be beneficial.) It is mandatory that scouts attend Open Archery to qualify for this merit badge.

RIFLE SHOOTING

To earn this merit badge, scouts must not only learn gun safety, cleaning, and proper use and positioning, but they must also score a reasonably high score on 5 targets with 5 shots each. It is mandatory that the scout also sign up for Open Rifle. This is a challenging merit badge and Scouts may find it difficult to qualify. Be prepared to spend time coming to every Open Shoot in order to qualify. Scouts must be at least 14-years-old to take the class.

SHOTGUN SHOOTING

Please be aware that the shotguns are heavy. Physically smaller scouts may not be able to hold the shotgun, and if so, will not be able to complete the course. Scouts will need to hit 24 out of 50 targets. Scouts hoping to earn this merit badge must be at least 14-years-old.

CAMP-WIDE PROGRAMS

EVENING PROGRAMS

Every evening after dinner scouts and leaders are welcome to attend the special evening program. On **Sunday evening**, we will hold the Opening Campfire at the Bowl at 8:30 p.m., **Tuesday evening** will be Scouts Own Interfaith Worship Service at the OA Chapel, with Movie Night and cracker barrel to follow. **Wednesday evening** is FAMILY NIGHT, with the OA Callout in the Liston "Bowl" at 8:30 PM. **Thursday evening** will be the Scoutmaster Dinner in the OA Lodge. The Order of the Arrow ice cream social is during cracker barrel. **Friday evening** will be the Closing Campfire at the Liston "Bowl". For Sabbath friendly week on June 18-23rd, 2018, we will hold the Opening Campfire at the "Bowl" on Monday at 8:30PM. Everything else remains the same.

CAMP-WIDE TRIATHLON

This year, the camp-wide games will take place on Thursday evening. Troops will take part in competitions throughout the week to earn points. Most of these points will be earned in the "Camp Perry Triathlon" on Thursday evening. Troops may also earn points by participating in events, such as the Watermelon Shoot and Mile Swim, and/or by completing a conservation project at camp. Points will also be given for campsite inspection scores. A detailed list of these events and projects will be provided upon arrival at camp.

NEW: GENEALOGY MERIT BADGE

Exploring your roots—where your family name came from, why your family lives where it does, what your parents and grandparents did for fun when they were your age—can be fascinating. Discovering your ancestors back through history is what genealogy is all about. This class will be offered during the OPEN DOCKS period (4:15pm – 5:15pm) in the dining hall.

ADULT LEADER PROGRAMS

SCOUTMASTER COOK-OFF

On Thursday of each week, Camp Perry will hold its Annual Camp Perry Scoutmaster Cook-Off. Scoutmasters and Assistant Scoutmasters from each troop will face-off in a Dutch Oven competition. Troop leaders will need to choose a dessert, purchase the ingredients and supplies, set up their cooking area, and will have exactly two (2) hours to prepare, cook, and present their dishes at the Annual Scoutmasters Dinner. Prizes will be awarded to the first, second, and third place winners. Judges will be volunteers from non-camping troops and community leaders.

CAMP PERRY PIONEERS "CP²"

Camp Perry offers the CP² program to provide structured, basic scout skills as a part of the summer camp program for the first-year camper. The program involves new scouts in a patrol setting, led by CP² staff members. Scouts will participate in skills instruction and other advancement situations throughout day. Scouts will be organized into patrols, using the patrol method, and will work together during the same class all week. Scouts enrolled in the CP² program are not restricted to only Tenderfoot requirements, but will progress toward Second and First-Class requirements. There will also be requirements completed towards First Aid, Swimming and Leatherwork Merit Badges. Totin' Chip, Firem'n Chit, and the Paul Bunyan Woodsman Award will also be offered. Merit badge completion is not guaranteed, but it is possible.

The aim of the Camp Perry Pioneers program is to help scouts:

- Instill and follow the patrol method.
- Develop scout skills through fun and effective teaching.
- Participate in a long-term camping experience.
- Observe the Scout Oath and Law through the week of summer camp.
- Build excitement about scouting through meaningful ceremonies that recognize their achievements.
- Be prepared to participate in a controlled overnight wilderness campout with CP² staff, at the end of the week.

Requirements Addressed:

Tenderfoot: 1, 2, 3, 4, 5, 6a, 7, 8

Second Class: 1b, 2, 3a, 3c-d, 4, 5, 6, 8e, 9

First Class: 2, 3, 4, 5, 6, 7

How leaders can take advantage of this program:

While planning your CP² attendance, talk to new scouts and their parents about this program and what it offers. Encourage their attendance and encourage completion of some (or all) of the requirements which are not taught at summer camp. To get the most out of the CP² program we ask that new scouts attain the "Scout" rank before summer camp starts. This will allow the CP² staff to follow the Leader's Guide and start with completion of Tenderfoot requirements. Although this is highly encouraged and very helpful in progressing with the program, it is not required. CP² welcomes all first-year campers to its program regardless of rank completed.

Just like merit badge prerequisites, if scouts complete Tenderfoot requirement #6a thirty days before the start of summer camp, by the end of the week they may have only requirement #9, a Scoutmaster Conference, and a Board of Review remaining for advancing to Tenderfoot. Likewise, if scouts complete Second Class requirements: #1a, #3b, and #7 before summer camp, by the end of the week they may have only requirement #1, a Scoutmaster Conference, and a Board of Review remaining to advance to Second Class.

Finally, if the boys complete First Class requirements: #1a, #8, #9 and #10 before summer camp, then by the end of the week they may have only requirement #11, a Scoutmaster Conference, and a Board of Review remaining to advance to First Class (in addition to earning Tenderfoot and Second-Class ranks).

Charles F. Perry with Gilbert the Camp Director

AWARDS

Camp Perry Spirit Award

Troops that show their scout spirit may be granted the coveted Camp Perry Spirit Award. To be awarded this honor, scout spirit must be present in a natural, everyday fashion. True evidence of scout spirit comes from the way a troop behaves at the swimming pool, to the way a patrol gives a special effort to make camp better for everyone. For this award, keep in mind the eighth point of the Scout Law and the Scout Slogan.

Model Campsite Awards

A troop's campsite arrangement and orderliness reflects upon the troop's standards. Living in a clean and well-organized campsite helps a scout feel pride in himself, his unit, and in scouting. Listed below are aspects of a well-organized troop campsite. A Camp Commissioner will visit your campsite during the day. The commissioner may share ideas with you about ways to improve your site. For your troop to be awarded a Model Campsite Award, it should possess the following attributes:

- ✓ U.S. and troop/patrol flags displayed with troop identification.
- ✓ Daily schedule, merit badge schedule, and troop/patrol duty rosters clearly posted.
- ✓ Wet clothing, towels, etc. hung on proper clothesline.
- ✓ Pitched tents should be in a proper line/formation with respect to size of campsite.
- ✓ Food and cooking gear, if any, cleaned and properly stored.
- ✓ Campsite clear of preventable hazards and safety issues with a visible first-aid kit.
- ✓ Campsite laid out with clear and safe walking lanes away from fire rings.
- ✓ Tents and flies pitched correctly and taut using proper knots.
- ✓ All tripping hazards or ropes connected to tents should be flagged in all needed areas.
- ✓ Tents marked with "NO FLAME IN TENT" stencil or sign.
- ✓ Campsite clean and litter-free; personal items stored; surfaces clean.
- ✓ Trash bags emptied regularly.
- ✓ Bulletin board with fireguard chart, emergency procedures, and intrusion procedures posted.
- ✓ Patrol flags or other markings so patrol areas are clearly identifiable.
- ✓ Sanitation supplies (hand-washing station) visible.
- ✓ Tarp, canopy, or dining fly for shade.

Extra Points:

- ✓ Troop/Patrol equipment properly stored (Axe Yard separate from central site and labeled/marked)
- ✓ Pioneering-style campsite improvement projects

Honor Camper

The youth and adult leaders of each troop may select honor campers for their patrols near the end of the camp week. These campers should exemplify scout spirit, a positive attitude, and should stand out from the other scouts in the troop. The maximum number on honor campers for each troop is one per patrol. Other Scoutmasters may also nominate scouts from another troop to truly exemplifying the Scout Oath and Law. All nominations should be turned into the Program Director and will be due on Thursday after dinner.

FOR LEADERS – BEFORE AND DURING CAMP

Prepared. For Life.™

BEFORE CAMP

Below are the items due at check-in for ALL attending during the week!

1. BSA Tour Plan
2. Scout Medication Log/Routine Drug Administration Record
3. Adult BSA and Texas Youth Protection Certification Copy
4. Adult Leader Registration Card Copy
5. Annual Health & Medical Records Copy for ALL ATTENDING FOR THE WEEK
6. Out of Council Units ONLY - Proof of Accident Insurance

In order to comply with the Texas Youth Camp Safety and Health Act, all leaders need to ensure that all adults who will be in camp are listed on the adult leader roster. It must be submitted to the Rio Grande Council Office no later than **May 19, 2018**. Also, be prepared to participate in the Texas Youth Protection Training at camp.

Out-of-town units must bring proof of accident insurance documentation.

Scouts will need a Swim check and need to bring appropriate swim attire. It is suggested that you remind them to pack their swim trunks where it is easily accessible or wear it under their scout shorts at check-in Sunday.

Procedures: All scouts will be taken to the pool for the Swim Test Classification. Anyone not taking the swim check during summer camp, will be classified as a “Non-Swimmer”. The Troop Guide will complete the tour of camp, and drop you back at your campsite to complete setup.

Reminder: ALL medications, except those specifically required to be carried by the individual, **MUST** be turned in to the camp Health Officer upon arrival. They will be kept locked up for the duration of the week. Scoutmasters need to complete the medication log located in the appendix. Please ensure that any scouts on medication report to the Health Lodge to receive it at the required times.

Vehicles: No vehicles are allowed beyond the camp office, and definitely not permitted onto trails.

Campsites: Troops have found it helpful to bring a garden wagon to help transport items from the parking lot to their campsite. We have wheelbarrows available that may be checked out with the Quartermaster.

FOR LEADERS – BEFORE AND DURING CAMP

Flag Retreat & Dinner: All scouts should report to the parade grounds in field uniforms at 6:20 PM for flag retreat. All Scouts will be released from the parade grounds to the dining hall. All scouts should walk (rather than run) to the Arroyo Colorado side entrance of the Dining Hall, lining up outside the screen door.

Leaders' Orientation Meeting: At least one adult from each troop **MUST** attend the leader's introduction meeting immediately after dinner on Sunday. The SPL is also encouraged to attend the meeting. It will be held after dinner in the OA Lodge. If there are any scheduling or location changes, they will be announced during dinner or after the flag ceremony. At this meeting, leaders will need to turn in a headcount for the Thursday night Scoutmaster Dinner.

DURING CAMP

At no point during the week should a troop remain at camp without the Guide to Safe Scouting's two-deep leadership safety procedure. Leaders are asked to periodically check on scouts during merit badge classes to observe scouts.

In the warm summers at Camp Perry, we would like to ask that all leaders help us control dehydration. If a scout claims they have a headache, stomachache, are homesick, or aren't hungry, then ask them to drink water as they are probably on the verge of dehydration. We recommend a minimum of 8 fluid ounces of water per hour for scouts in this environment.

Scoutmasters are welcome to utilize the *Wewanoma Lodge Internet Café* for accessing Camp Perry's Wi-Fi internet. To receive the pass code, please visit the camp office.

Camp Perry will also have a list of service projects readily available for Scoutmasters to participate in. If you have a trade or skill, please help Camp Perry in a service project to improve camp life.

During summer camp, there will be several adult leader training courses taught. Please consult with the office for a schedule of Adult Leader Training.

Scout leaders also need to attend the daily Scoutmaster meeting. This meeting provides troop leadership with the opportunity to discuss problems with the camp staff, learn new things, and sign up for various activities. **It is mandatory that a minimum of one leader per troop attends this meeting.**

The Scoutmaster needs to oversee that the SPL (or his designee) attends the daily SPL meeting in the OA Lodge. This meeting will take place after lunch and will provide SPL's the opportunity to express concern, collaborate, and volunteer for events. They will also receive information regarding the daily campsite inspection, upcoming events, announcements, changes in program, and other information. **It is mandatory that each troop is represented at these daily meetings.**

CAMP CONCLUDES SATURDAY MORNING.

Saturday morning, once all troop gear has been removed from the campsite and the grounds have been picked up, the SPL or Scoutmaster may request that a staff member check their campsite. The staff members will guide troops, if needed, to any additional attention to the campsite, and then complete the process of checking out the troop and releasing the troop for departure.

Before departure, be sure to check the camp office for any last details and information. All scouts should check the Lost & Found to see if they have left any of their “stuff” behind.

ORDER OF THE ARROW

The Order of the Arrow is Scouting's National Honor Society, chartered by the National Council of the Boy Scouts of America. Youth and adult Wewanoma Lodge leaders will occasionally be present during the weeks of camp. We also have an OA Camp Chief that is a paid member of Camp Perry summer camp staff that will act as a liaison, as well as normal staff duties. The OA Camp Chief will also coordinate Wednesday night's OA Callout Ceremony, starting in the Liston “Bowl” at 8:30 PM.

Wewanoma Lodge also supports camping and Camp Perry year around in myriad ways, just one of which is sponsoring several Camperships for scouts. We will hold an Ice Cream Social on Thursday night during each week of camp in the OA Lodge.

INDIVIDUAL SCOUT EQUIPMENT

- Make sure to mark all personal items with name and troop number.
- Personal valuables (wallets, money, cell phone) should be left in a safe place and not visible.
- Health and safety are of upmost importance to Camp Perry Staff!!
- Scoutmasters: Remind scouts and parents that closed-toed shoes are to be worn at all times unless you are in your tent, pool, or showering.

Out-of-council units will need proof of insurance.

Flip-flops are not appropriate footwear in the bay or on the jetties.

TIPS ON CLOTHING AT LAGUNA STATION

Pack your equipment in a duffel bag or backpack without a frame for the purpose of packing your gear onto our program vessels. Sailboats and power boats are not conducive to the storage and transportation of suitcases or non-crushable containers.

Shoes or sandals are required at all times on land or when walking in the water. Most participants find closed-toe sandals or water shoes to be comfortable and well-suited for your adventure. On the sailing vessels, you will essentially be participating in a barefoot cruise unless the weather and sea conditions dictate a need for shoes for protection. Do not bring black-soled shoes if you are participating in the sailing program because they will mark the deck of the boats.

Summer temperatures vary from 75° to 95°F night and day with high humidity, light breezes and occasional rain squalls. Concerns are to dress cool, have rain protection and sun protection. You will find yourself primarily dressed in t-shirts and swimsuits.

All participants will be required to wear a modest bathing suit for all aquatic activities. No bikinis will be permitted during camp activities. Two-piece “tankinis” are approved if they provide the approximate coverage of a one-piece suit.

The official Scout uniform *for your program* is highly recommended for traveling to and from the Station, and is required for striking the colors. The “Pachanga attire”, which can be worn Friday at dinner and at closing ceremonies, can be any type of festive clothing such as Hawaiian print or tie-dye t-shirts.

A good quality rain jacket is desirable. A poncho is not recommended because the loose corners could get caught in boat parts.

Sleeping bag or bedroll: a bed roll of two sheets and a light blanket or a very light sleeping bag is all that is necessary in the summer. A foam pad or air mattress is recommended for participants in all programs. Both beach and sailboat decks are hard, unleveled and uncomfortable for sleeping. Cots and tents are provided while in Base Camp.

UNIT MEDICAL EQUIPMENT FOR LAGUNA

Each crew should bring its own first aid kit. This is for the treatment of minor injuries. All Station vessels carry an additional first aid kit as well. The treatment of minor injuries is up to the crew leader or the crew's trained first aider. The treatment of injuries that the crew does not feel capable of treating is at the discretion of the Station Medical Officer.

Suggested Supplies For Your Crew First Aid Kit:

Adhesive Tape 1" x 5 yards	"Tylenol"
Antacid	"Swimmer Ear" Ear Drops
Antibiotic Ointment	Hydrocortisone Cream
Aspirin (limit access to adults)	Ammonia
Assorted Sizes of Band-Aids	Disposable latex gloves
Motion Sickness Medicine	Ace Type Bandage
Chapstick—SPF 30 minimum	Antihistamine
Disposable Alcohol Wipes	Chemical Ice Pack
Insect Repellent	Needle
Meat Tenderizer	Oval Eye Patch
Rubbing Alcohol	Small Bar of Soap
Safety Pin	Thermometer
Sun Screen (#30 Minimum)	Triangular Bandage
Tweezers	Gauze Pads 3x3

Note: This is a basic first aid kit. For more specific medical needs, the Station maintains a health lodge and first aid kits on all vessels and program areas.

Sea Sickness: The Station suggests that your troop's/crew's first aid kit contain motion sickness medication. We further suggest that your crew members check with their individual physicians regarding a motion sickness medication. We find that the vast majority of participants will not experience sea sickness and encourage leaders to adopt an attitude that does not plant an expectation in participant's minds.

Sunburn: Sunburn can be quite dangerous, as well as uncomfortable, and can ruin your entire trip. Get a good tan at home before you come to South Texas. Start slowly at first, then increase the dosage as you see what you can take. Use a good sunscreen and cover those parts of your body that burn easily. Do not bring suntan oils; it makes boat decks very slick and can discolor decks. In the event of sunburn, loose fitting cotton clothing will protect you from further burning.

POLICIES AND PROCEDURES

Alcohol & Drugs

It is the policy of the Boy Scouts of America that the use of alcoholic beverages and controlled substances is not permitted at encampments or activities on property owned and/or operated by the Boy Scouts of America, or at any activity involving participation of youth members.

Tobacco

Adult leaders should support the attitude that they, as well as youth, are better off without tobacco in any form and may not allow the use of tobacco products at any BSA activity involving youth participants. This includes the use of electronic cigarettes, personal vaporizers, or electronic nicotine delivery systems that simulate tobacco smoking.

All scouting functions, meetings, and activities should be conducted on a smoke-free basis, with smoking areas located away from all participants located at the overflow parking lot/dumpster area. References: Scoutmaster Handbook, No. 33009, and Boy Scout Handbook, No. 34554

Medical Marijuana

It is unacceptable for anyone to use or be under the influence of medical marijuana at or during any scouting activity.

Campsites & Equipment

Each Campsite has a definite size regarding scout capacity. This is done to accommodate small and large troops alike. The Camp Director reserves the right when necessary, to transfer a troop to a site that would be best for the troop.

Campsites

Your campsite is your home. Scouts and scouters should not enter another troop's campsite without permission. Your campsite is your troop's private property for the duration of your stay, and unauthorized visits and/or "raiding" will be cause for dismissal from camp.

Campsite Equipment

Each campsite is equipped with a metal fire ring and picnic table. Fire rings will not be allowed if a fire ban is in effect. Fire rings should not be physically moved according to Leave No Trace principles.

Health and Safety

A staff of commissioners will be available to help scout leaders solve problems during their stay. They will also conduct a daily campsite health and safety inspection beginning Monday morning.

Inspections

Housekeeping is an important part of camping, each patrol and troop is expected to keep its own site and assigned camp area clean and orderly at all times. Campsites will be inspected daily.

Trash

Each troop must bring a trash container and trash bags to be used to keep camp clean. Trash will need to be collected and placed in the side parking lot dumpster on a daily basis in order to keep critters away.

POLICIES AND PROCEDURES

Firewood

Fires in campsites may be permitted only with the approval of the Camp Director, provided there is not a fire ban.

Volatile Liquid & Fuel

Camp stove fuel, propane bottles, and similar products must be declared at check-in. Liquid fuel must be stored in approved containers and kept at a camp fuel storage container.

Fireworks

The Rio Grande Council, BSA prohibits the possession or use any type of fireworks on camp property. Violators will be dismissed from camp immediately.

Campers

Only registered members of the Boy Scouts of America may attend camp. Cub Scouts, Venture Scouts, Explorers, or other non-scouting youth are **NOT** permitted at camp during the week except for valid reasons to visit and must check in at the camp office on arrival and departure.

Buddy System

Scouters are reminded that the Buddy System should be used **at all times** while at camp, not just during swimming time.

Hazing

Hazing or initiation of any form is considered child abuse, and will absolutely not be tolerated under the auspices of the Boy Scouts of America. **Any unit or scout who violates this policy will be dismissed from camp immediately.**

Telephones

In this day of cell phones and electronic devices, a wise scout leader should monitor scout use. Cell phones are not to be used in the dining hall, merit badge classes, or at flag raising/lowering ceremonies.

Uniform

Each Scout should have at least one complete Official BSA Uniform to be worn each evening at dinner and flag retreat. In addition, some evening program activities, such as campfires, and religious services require use of the Official BSA Uniform. BSA policy recognizes official camp and BSA t-shirts used with scout shorts or pants and socks as an official activity uniform.

Trading Post

Items such as water & sports drinks, along with ice cream, snacks, soft drinks, handicraft kits, BSA literature, t-shirts, caps, etc. will be available. Trading post hours vary from day to day, depending on evening program.

Lost & Found

All lost and found items should be turned in and claimed at the camp trading post. All campers are encouraged to mark their troop number and name on **everything** they bring to camp. **DO NOT TAKE VALUABLES OR MONEY INTO THE POOL SHOWER AREA.**

POLICIES AND PROCEDURES

Firearms & Knives

No personal archery equipment, slingshots, paintball gun type items, or firearms of any type are permitted on camp property at any time. Knives must be of the folding variety, preferably with locking blades.

SCOUTERS/ADULT LEADERS

Adult Leadership

- BSA Policy requires at least two (2) TRAINED adult leaders, which includes Scoutmasters, Assistant Scoutmasters and Troop Committee Members, be in camp at all times; one (SM's and CM's) must be 21 years or older, the second (ASM's) must be 18 or older. ALL ADULTS, MUST BE REGISTERED MEMBERS OF THE BOY SCOUTS OF AMERICA and be listed on the Summer Camp Adult Roster.
- All adults must have completed and approved the annual criminal background check (located on the last pages of this guide) for the 2018 calendar year.
- All adults must have completed the Texas Youth Protection Training. If training is not complete, YOU WILL NOT BE ALLOWED ON CAMP PROPERTY AND YOUR UNIT WILL HAVE TO WAIT UNTIL AT LEAST TWO ADULTS ARE PROCESSED.

Rotation/Replacement of Registered Adult Leaders

- Adult leaders may rotate with other adult leaders from their troop, if necessary. The Camp Director must be notified of any rotations/replacements, via a written or printed schedule given at check-in.
- Incoming replacement adult leaders must sign in at the office and the outgoing adult leaders must sign out. Replacement adult leaders should be briefed on troop status and summer camp activities before outgoing leaders depart.
- The payment of one camp registration fee covers meals for one person, so if both outgoing and replacement adult leaders want to eat at the same meal-time, then one of them must purchase a meal ticket from the camp office beforehand.
- ALL replacement adult leaders MUST meet the same requirements listed in the Adult Leadership section above.

Parents/Guardians and Visitations

- Parents/Guardians who wish to visit Camp Perry, other than during Wednesday's Family Night, or due to an emergency, must be allowed to do so. However, they need to notify one of their troop's adult leaders before arriving, so one of the adult leaders may meet them and help them sign in at the office. The adult leaders can also figure out the best time for their arrival so it has the least impact on the work that the scout is putting into rank advancement, merit badges, and other scouting activities. If parents/guardians want to eat in the dining hall, then they must purchase a meal ticket, too.
- Visiting parents/guardians may not spend the night at Camp Perry, and must be signed out and depart no later than 9:15 PM.

POLICIES AND PROCEDURES

Automobiles

Cars, trucks, or any other motor vehicles are not permitted past the parking lot in front of the camp office. Vehicles must park in designated parking areas, the overflow parking area adjacent to the regular parking lot, or possibly in the mudflat area near the camp entrance. Absolutely NOT on the grass or side of the road, for camper safety. Violators will be towed at the owner's expense. All trailers must remain in the parking area as well in their designated area.

Tour Plan

All troops MUST arrive with a BSA Local Tour Permit. Please make your life easier by using the Rio Grande Council Tour Plan.

Leaders Lounge

The *Wewanoma Lodge Café* is available to adults as a lounge area. Admittance to the *Café* is restricted to SPL's (only during meetings) and to adult scouters. Access to wireless internet is available in the office and lodge areas. The *Wewanoma Lodge Internet Café* is not part of the dining hall. **All staff, scouters, and scouts must eat in the dining hall with their troop.** All scouts are expected to remain outside this area unless accompanied by an adult scout leader for business purposes only.

Water & Program Areas

There will be an adequate supply of cool water available in all program areas. Scouts must bring a canteen, water bottle, or cup. Disposable cups (of any type) will not be provided.

Wildlife & Pets

Pets of any kind are not permitted at camp. Most feral animals on camp property are harmless, when left alone.

FAMILY NIGHT

Meals

Meals can be served to guests or additional leaders after checking in at the main office, for the cost of \$10.00 per meal. Meal tickets must be obtained in advance at the camp office. Guest meals will not be served without a ticket.

FAMILY NIGHT

Parents, family members, and friends are welcome to attend Family Night held on Wednesdays from 5:30 p.m. - 9:15 p.m. Family Night includes a meal for each participant attending. To attend Family Night, please register at www.riograndecouncil.org and visit "Calendar". Go to Wednesday June 20th, June 27th, or July 4th, 2018 to register for your son's specific week. There you will find the registration page for Family Night. The cost is \$10.00.

EMERGENCY PROCEDURES

General Emergency Procedures

- Report all emergency situations (fires, accidents, etc.) to the nearest staff member.
- A staff member will report directly to the Camp Director or Program Director
- If the situation is evaluated as a camp-wide emergency, the bell near the dining hall will be rung, and the air horns/megaphone will be sounded to alert all persons in camp.
- On hearing the bell and signal:
 - All staff members will gather at the flag pole at the parade grounds.
 - All Scoutmasters, Troop Leaders and Scouts will report to the flag poles in the parade grounds.
- Emergency instructions will be given at the flag poles.

Fire

Campsites:

- Drop all canvas immediately after checking whether tents are occupied.
- Notify Camp Director, Program Director or Quartermaster immediately.
- **DO NOT ATTEMPT TO EXTINGUISH THE FIRE. NO TENT IS WORTH THE POSSIBILITY OF INJURING A SCOUT OR SCOUTER.**

Buildings:

- Evacuate building immediately.
- Notify Camp Director, Program Director or Quartermaster immediately.
- Stay away from building until given further direction by the Camp Director, Program Director or Quartermaster.

On camp properties (brush or grass)

- Contact any campsite in path of fire to evacuate the campsite (USE ALTERNATE CAMP TRAILS IF NEEDED).
- Notify Camp Director, Program Director or Quartermaster immediately.
- A camp-wide emergency will be signaled.

Lost Camper

- In the event a camper is reported lost, immediately contact the Camp Director or Program Director. At the same time, send a staff member or a reliable camper to the missing camper's campsite, his scheduled activity area for that period as well as any other likely place to determine the accuracy of this report. After these searches reported have returned negative, other likely spots have been searched, and the Camp Director or his representative has determined that the missing camper will not be found easily, then the alarm will be sounded for a camp-wide emergency.

If the assembly shows the camper to still be missing, consult with anyone who might have additional knowledge of his whereabouts and send additional searchers to those locations. Additional steps to be taken in sequence are: Arroyo Colorado bank search and camp-wide search until missing camper is found or the authorities are notified.

EMERGENCY PROCEDURES

Hurricane

- When severe weather related to the approach of a hurricane is reported to reach Camp Perry within 24 hours, all troop leaders will be notified to evacuate their scouts after breaking down their campsites.
- Staff members will be assigned to assist camp staff in gathering and storing of loose equipment to prevent loss and damage to both equipment and buildings.
- When the staff and the Camp Director determine that the camp is ready to weather the storm, all staff members will be released to return to their homes.

Lightning

- During periods of severe thunderstorms and lightning, all campers and staff members will take cover in the nearest building. All persons will refrain from making contact with metal flag poles, wall supports, etc.

Tornadoes

- **Warning:** when a tornado warning is given on the television or radio, an air horn will be sounded three short blasts three long blasts, three shorts blasts (SOS) to alert all persons in camp.
- Anyone hearing the signal will immediately implement normal emergency procedures and instruct everyone to take cover in low-lying areas such as the Arroyo Colorado bank or ditches. IF CONDITIONS ARE SEVERE TAKE COVER IN LOW LYING AREA IMMEDIATELY
- Sounding a series of three long blasts on an air horn will sound all clear.

Flooding

- In case of probable flooding, the boat dock area will be cleared of all equipment providing adequate time.
- Everyone will stay clear of the Arroyo Colorado and the Little Arroyo.
- Everyone will assemble at the dining hall for further instructions.

Serious Accident or Illness

- All serious accidents or illness will be reported directly to the Health Officer at the Health Lodge.
- If the Health Officer is not present, go immediately to the bell near the dining hall and ring it six times. Repeat with six rings in 15 second intervals until told to stop by an adult staff member.
- Report the nature and location of the accident to the Health Officer or the key staff member in charge and standby to direct a first aid team to the victim.

ADULT LEADER APPLICATION FOR PARTICIPATION

This form must be filled out *completely* and legibly. This form is REQUIRED from all adults over the age of 18 who will attend camp. Please print and use blue or black ink.

First Name: _____ Middle: _____ Last: _____

Address: _____

City: _____ State: _____ ZIP: _____

Phone #: _____ Birthdate: _____ Sex: _____

Driver License

State: _____ DLN#: _____

Social Security Number: _____

1. Are you registered with the Boy Scouts of America? ____ Yes ____ NO

If no, you must complete the registration process **before** attending camp. All participants must attach a copy of their registration card or an *official BSA* copy of the unit roster showing their name as a registered member of that unit.

2. Have you ever been convicted of a felony or misdemeanor? (You may answer NO if your conviction was ordered sealed, expunged or eradicated) ____ Yes ____ No

Conviction of a crime is not an automatic bar to participation. All circumstances will be considered, including what you were convicted of and how long ago. You must provide complete information about any conviction by attaching a separate statement.

3. Have you completed the BSA Online Youth Protection Training course within the last 24 months? ____ Yes ____ NO (Must be completed bi-annually!)

If NO, you MUST complete this course and attach a copy of the certification card provided upon successful completion of the training. Training may be completed at the BSA Online Learning Center: <http://myscouting.org> If you have already completed the course, please attach the copy of the card to this form.

4. Personal information provided at the top of the form will be used to conduct a search in the Sex Offender Registration database to meet this state requirement.

The system used for the criminal background check will also conduct a check in the sex offender database. Both searches will be conducted at one time in our office, so there is no need to attach searches done by the unit.

5. As of May 16, 2010, ALL adults participating in a licensed youth camp in the state of TX MUST have a criminal background check (conducted annually) in order to determine if any person may be precluded from participation in a state licensed camp based on the results of this check.

The National Office of the BSA has made arrangements for councils in the state of Texas to conduct these background checks for all participants of their summer camp programs. The Rio Grande Council will conduct these checks on all participants to ensure compliance with the Texas Youth Camp Act.

By signing and submitting this application, you are authorizing a criminal background check and a search in the Sex Offender Registration database of yourself. This check will be made from public record sources. You also confirm that the information provided and attached to this form is true and not falsified in any way.

You must also sign the Disclosure & Authorization Form Attached.
