FRIDAY CHECK-IN

CHECK IN TIME BEGINS AT 6:00PM.

Camp staff will be checking in units between 6:00 PM - 7:00 PM on Friday, April 17, 2026. Please plan your arrival at Camp Perry as close as possible to check-in on time.

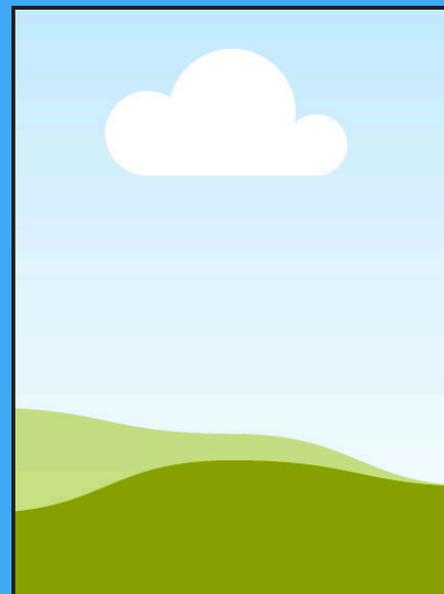

Check-in is completed at the Health & Fitness building before your unit has received their campsite assignment. Campsites are assigned based on unit size and need. For assistance, email msgarza2@gmail.com

Early arrivals are asked to wait in the parking lot area with their adult supervision until the check-in process begins. Any maverick scouts should be accompanied by an adult until the scout is checked in and given their campsite assignment.

Unit leaders will receive their camp event packets, which will include wristbands, activity passports, camp map, itinerary and meal tickets for their event participants.

Wrist Bands will be provided for all registered attendees. Leaders, Scouts and guests arriving/leaving camp during the weekend must stop at the camp office to sign in or out. Any changes to campsite adult leadership must be provided to the Camp Director as it occurs. This allows staff to account for all persons on site in case of an emergency.

Each unit will be given a camp cleaning assignment. These assignments can be a continuous task on Saturday as camp goes use and enjoy the camp. Or complete clean up section of the camp on Sunday before departing. Assignments will be chosen on a first come first serve basis or as assigned. Scouting starts with the family, your den, your pack, to our entire RGV community. To make this weekend a great experience for our families and scouts, please pitch in and do your part.

Sunday Check Out

Camp closure is scheduled for Sunday April 19th at 12pm (or earlier).

Each unit is expected to complete a camp clean up assignment before check out can be started. This area will be assigned to your unit on Friday. Please speak with office staff if you have not received this assignment.

Each unit is expected to return all camp provided items to the Quartermaster. These items include tools. Flags, water jugs, etc., that are used during the week in your campsite or for service projects. Any items missing will be accounted for before a unit is allowed to check out. Units will be charged for each rip that occurs on camp tents, if any tents that are deemed unreparable by the camp director, the unit will be charged for replacement.

A final campsite inspection will be made to insure no waste articles are left for the next occupants to clean up.
